

# The all-new ID.7

Effective from 15.04.2025

## Function in its most perfect form

The elegant design of the ID.7 is characterised by the aerodynamically shaped front and the sloping roofline, which is reminiscent of a fastback. Air intakes located in the front end guide the air flowing through them purposefully down the sides of the vehicle to the rear. In this way, they form an air curtain, which calms the air flow at the sides of the vehicle. The sloping roof of the ID.7 contributes to the very good drag coefficient (cW value) of just 0.237 – ensuring lower energy consumption and higher ranges.

## Everything under control

A completely new type of user experience awaits you in the Digital Cockpit of your ID. Thanks to the latest intuitive operating concept, your ID. is transformed into a genuine standard-setting smart device. The 15 inch screen display provides convenient access to the most important functions. Individually configurable favourites and even more applications on the homescreen guarantee short operating paths and improve the user experience. Operation of the air conditioning is integrated into the first level of the infotainment system. The different functions of the new air conditioning concept are visible at all times on the large new display and can be activated and saved individually for each user. The intelligent air vents control the air flow and special requests can be activated using voice commands. If the user says "Hello Volkswagen, my hands are cold!", the ID.7 responds by starting the steering wheel heating function. At the same time, warm air is directed towards the hands.

## Light for almost any mood

Give your ID. more personality. Choose from 30 colours and gently illuminate the interior. Visually illuminated decorative trims on the dash panel, door trim and mobile phone holder create a special lighting mood. It's up to you whether you choose cooler or warm lighting

White Steering Wheel is currently not available to order

## Experience comfort

The new ID.7 offers ample space for up to five passengers. Thanks to premium materials and features, such as background lighting or the electrically dimmable panoramic sunroof, it conveys the lounge atmosphere of a luxury-class saloon with an especially generous sense of space – also in the second row of seats. The interior materials of the new ID.7 contain a wealth of recycled materials.

\*\*Maximum power determined in accordance with UN-GTR.21. The maximum power is available at the highest possible battery state of charge and with an optimal operating temperature range of the high voltage battery.

<sup>1</sup>This vehicle is a WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure) type approved vehicle. More information is available at [www.volkswagen.ie/wltp](http://www.volkswagen.ie/wltp).

<sup>2</sup>Net to energy amount.

<sup>3</sup>The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption (kWh/100km) and CO<sub>2</sub> emissions and are correct at the time of print. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (kWh/100km) and achievable range. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at [volkswagen.ie/build](http://volkswagen.ie/build). You can discover more about the WLTP at [volkswagen.ie/wltp](http://volkswagen.ie/wltp).

<sup>4</sup>State subsidies refer to VRT relief and SEAI Grant for Private Customers, Business/Commercial Buyer State subsidy comprises of VRT relief, all of which are subject to approval. SEAI Grant is not applicable on vehicles with a list price of over €60,000. The new Service Plan is applicable to 252 registrations only.

<sup>5</sup>All prices (Retail) are recommended by Volkswagen Ireland and are inclusive of VAT.

VRT Bands and rate of Annual Motor Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2024 cars produced from CW06/2024 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.

Volkswagen IE may change RRP's at any time (this includes where there are changes in government regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Volkswagen retailer.

In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit [volkswagen.ie](http://volkswagen.ie) configurator for details relating to the tyres applicable to said vehicles.

Please note every effort has been made to ensure the contents of this publication (including RRP, CO<sub>2</sub>, fuel consumption and technical information) were accurate and up-to-date at the time of going to print 15th of April 2025. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.

<sup>3</sup> Years Tyre Insurance covers tyres that are damaged by an Insured Event. Exclusions do apply. For more information on general terms and conditions, please click here (<https://www.volkswagen.ie/en/owners-and-users/wheels-and-tyres.html>)

The ID.7 from production wk 49/2023 supports ID software 4.0 and subsequent updates that follow.

# ID.7 PRO PLUS

77kWh Battery  
615km Range

## Interior Equipment

- » 15" Infotainment Display
- » Pedals in stainless steel, with play and pause symbols
- » Front seats with height adjustment
- » Heated front seats
- » Asymmetric split folding rear seat backrest, with load-through hatch and center armrest, 2 beverage holders
- » Instrument cluster with electronic speedometer, odometer and trip odometer, tachometer
- » Auto-dimming interior rearview mirror
- » Door and side trim panel in foam film, insert in leatherette
- » 3 head restraints in rear
- » Safety-optimized front head restraints
- » Multi-function steering wheel with touch control
- » Illuminated vanity mirrors in sun visors
- » Floor Mats
- » ISOFIX anchors for child seats on outer rear bench seats and on front passenger seat, compatible for i-Size

## Exterior Equipment

- » 19" 'Hudson' Alloy Wheels with AirStop Tyres
- » Illuminated door handle recesses
- » Wheel locks with extended theft protection
- » Exterior mirrors, power-adjustable, folding and heated, w/ front passenger exterior mirror lowering function
- » Black-painted exterior mirror housings

## Charging Equipment

- » Three pin home socket charging cable, 10A
- » Charging cable Mode 3 Type 2, 32 A
- » Battery charging capacity - max. 11kW AC, max. 135kW DC
- » 77kWh battery
- » 8 year battery warranty or 160,000km, whichever ever comes first

## Safety

- » Oncoming vehicle braking when turning and swerve support
- » Driver and front passenger airbag with front passenger airbag deactivation
- » Preparation for alcohol interlock
- » Follow-on warranty, contract duration: 1 year, subsequent to manufacturer warranty, max. total mileage: 90 000 km
- » Electronic engine sound
- » Auto. Emergency Braking Front Assist with Pedestrian and Cyclist Monitoring
- » With UN-ECE cybersecurity & software update
- » Anti-theft alarm system with interior monitoring, backup horn, and towing protection
- » Proactive passenger protection system
- » Advanced driver attention & drowsiness monitor
- » 3-point seat belts in front with height adjustment and seat belt pretensioners
- » Emergency call service
- » Lane change system Side Assist, rear Traffic Alert and exit warning system
- » First aid kit, warning triangle and safety vest

## Functional Equipment

- » Augmented reality head-up display
- » App-Connect Wireless for Apple CarPlay and Android Auto
- » Tool kit
- » Automatically-heated washer nozzles in front
- » Driving Mode Selection
- » Car 2X Technology car-to-car wireless information transfer
- » 2 USB-C ports in the front, 2 USB-C charging sockets on the center console in rear, charging capacity up to 45 W
- » Luggage net
- » Adaptive Cruise Control ACC
- » Dynamic Road Sign Display
- » Electromechanical speed-sensitive power steering
- » High-beam control Light Assist
- » Predictive speed limiter
- » Headlight range control
- » Remote unlocking for tailgate/trunk lid
- » Green heat-insulating glass windows on sides and in rear
- » Voice control
- » Rain sensor
- » Keyless locking and starting system
- » Keyless Access with SAFELOCK
- » Surround lighting with welcome light

615km Range

## Continued...

### Interior Package

- » Inserts of front seats and outer rear seats in ArtVelours ECO microfleece, seat bolsters in Artex
- » Front seats with massage programs
- » 30-colour ambient lighting
- » Comfort seats in front
- » ergoActive seats in front w/ power adjustment, memory feature, fr. seat conv.entry function and adjustable thigh support
- » Door and side trim panel in foam film, insert in leatherette (real stitching)
- » Comfort dashboard
- » Pneumatically-adjustable lumbar supports in front

### Exterior Package

- » IQ.LIGHT - LED matrix headlamps with automatic headlight control, poor weather light, entry lighting
- » Illuminated molding between headlamp and illuminated door handle recesses
- » LED rear combination lamps with dynamic turn signal
- » Easy Open - sensor controlled luggage compartment opening and electric closing
- » Privacy glass for rear side windows and rear window
- » Advanced high-beam control Dynamic Light Assist
- » Dynamic headlight range control with dynamic cornering light
- » Cornering light and poor weather light

### Metallic Paint

- » As Standard\*

### Assistance Package

- » Memory feature for Park Assist
- » Area View incl. Rear View Camera
- » Travel Assist, Lane Assist & Emergency Assist
- » Park Assist with Park Assist Plus

### Comfort Package

- » Air Care Climatronic 3 zone automatic climate control w/ allergen filter, enhanced air filter a. controls in rear
- » Multi-function steering wheel, heated, with touch control
- » Laminated safety glass windshield, heated, infrared-reflecting windshield, sound-insulating
- » Navigation system "Discover Pro Max"
- » Comfort telephony: wireless charging (fast charge) and external antenna connection

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your local dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.

\*Selected metallic paints are standard. Please refer to paint page for details.
